Dear Business owner,

The student presenting this letter to you is a member of the Southwest High "Eagles Travel" Club. He/She is planning an educational/historical tour of United Kingdom and is seeking your financial support. The entire club is planning this 11-day tour this July.

Students will have the opportunity to see many historical sites, visit museums, taste the local cuisine, as well as other educational activities. This tour is NOT a vacation, but a tour that allows our students to appreciate European culture and history. This is a tour of a lifetime.

Your tax-deductible donation assists this student in participating in this life changing event. We look forward to the opportunity to return from England, Ireland, Scotland and Wales, and share with you our experiences and memories created by your support. Please make checks payable to Southwest High School.

Thank You in Advance for your support,

Dear Diana:

Congratulations! It is our great pleasure to offer you admission to UCLA for the Fall Quarter 2016. You have been admitted to the UCLA College of Letters and Science with Neuroscience as your academic major.

You were selected from the largest college applicant pool in the nation—over 97,000 students applied to UCLA. Your talents and academic accomplishments are exceptional, and we know that you will thrive here. At UCLA, you can build your own course of study from our 3,800 courses, 125+ majors, 80+ minors, individual research projects, and classes designed just for you. But you'll also get personal attention from instructors: two out of three undergraduate classes have fewer than 30 students, and our faculty in residence program means you could live right next door to a professor.

UCLA prepares you to step into your future through our unique combination of excellent, cutting-edge academics—including international study—a diverse and enriching student life, support for career exploration, and a college town located in Los Angeles, one of the most innovative and diverse cities in the world. You'll have every opportunity imaginable to develop the talents and interests that will lead you to success in the future.

Please plan to attend our welcome events for admitted freshmen and their families, especially Bruin Day, held on Saturday, April 16, when faculty, staff, current students, and alumni will welcome you to our beautiful campus! To find out more about Bruin Day and our other welcome events, please visit www.admission.ucla.edu/decision.

Your next step is the formal acceptance of our admission offer, which you can complete at the New Bruins website, www.admission.ucla.edu/newbruins/fr. For now, enjoy this moment and what it signifies—that you are about to begin one of the most exciting chapters in your life. From UCLA, your imagination, aspirations, and talent can take you wherever you want to go. We invite you to join our class of 2020. Again, congratulations!
