

REQUEST FOR BACKFLOW TESTING AND CERTIFICATION

If you have a backflow device connected to HPUD water lines, you are required by law to have it tested and certified every year. You have the right to hire an independent backflow certified contractor to test and certify your backflow. If you want HPUD to perform this test and certification, please complete this form and sign as indicated.

Instructions:

Complete and sign request for backflow testing and certification form below.

For an additional copy of the form, go to www.heber.ca.gov or pick up a form at the HPUD office located at 1078 Dogwood Road, Suite 103, Heber, CA 92249. For more information contact HPUD at 760-482-2440.

Fee Schedule:

Backflow testing and certification per device: **\$80**

Retesting (if backflow device fails first test) per device: **\$80**

Should the customer request that HPUD make repairs to the backflow device, all charges for parts, material and labor will be itemized and the information will be provided to the property owner prior to repairs being made by the Heber Public Utility District.

Please provide the following information and sign the form agreeing to pay for services.

I request that the Heber Public Utility District provide testing and certification for backflow device(s) located on my property.	
APPLICANT'S NAME:	
ADDRESS, CITY, ZIP CODE:	
TELEPHONE NUMBER:	

I agree to pay \$_____ for testing and certification of backflow device.
