Re: Project Number: XS-13-047, Correll Park, \$1,579,566

Dear Laura Fischer:

Congratulations! The Office of Grants and Local Services (OGALS) is pleased to inform you that the project above has been selected for funding through the Proposition 68 Statewide Park Development and Community Revitalization Program! This round was highly competitive, with 468 project applications requesting \$2.42 billion.

We look forward to working with your agency to ensure successful completion of the project. Your project file has been transferred to our grant administration section. Your grant administration Project Officer will contact you soon to schedule a mandatory grant administration technical assistance workshop. As a reminder, funding is not guaranteed until the grant contract is signed by your agency's authorized representative and the State of California. If you have grant administration questions, please contact your Grant Administration Project Officer Anne Davigeadono at Anne.Davigeadono@parks.ca.gov.

We appreciate our partnership with local agencies to improve the health and wellness of communities by creating new parks and recreation opportunities. Again, congratulations on this project selection!

Sincerely,
