

HEBER PUBLIC UTILITY DISTRICT FACILITY USE POLICY

SUBJECT: FACILITY USE POLICY

POLICY NO: 3750

EFFECTIVE DATE: MAY 1, 2016

MODIFIED AND APPROVED: MAY 16, 2018

3750. PURPOSE:

The intent of this policy is for the fair allocation of access to, and use of, Heber Public Utility District's limited athletic fields. For this reason, the Heber Public Utility District has developed this policy to ensure the orderly administration and control of the parks and buildings within the District and to establish rules and regulations to provide a safe and enjoyable environment for those using these facilities.

3750.1 DEFINITIONS:

1. Alcoholic Beverage: Alcohol, spirits, liquor, wine, beer and every liquid or solid containing one-half of one (0.5) per cent or more of alcohol by volume and which is fit for beverage purposes either alone or when diluted, mixed or combined with other substances.
2. Board: The Board of Directors of the Heber Public Utility District.
3. District: Means the Heber Public Utility District of HPUD.
4. District Property: Every park and mini-park, building, facility, retention basin, or vehicle parking area owned, managed or controlled by the District.
5. Eviction: Revocation of any permit or permission to use a park and expulsion from such park or facility.
6. General Manager: The General Manager of the District.
7. Group: "Group" means all persons subject to the same permit.
8. Person: Person means every individual, corporation, partnership, limited liability company, joint venture, association, social club, fraternal organization or any other group or combination of individuals including spectators.
9. Park Use Permit: The permit issued by the HPUD to set conditions for use and to authorize use of park areas excluding athletic fields.
10. Athletic Field Use Permit: The permit issued by the HPUD to set conditions for use and to authorize use of Athletic Fields.

3751. MANAGEMENT OF DISTRICT FACILITIES: The General Manager shall administer this policy or other related policies in such a way as to achieve the maximum benefit to the residents of Heber and visitors. This policy shall be enforced by the General Manager and such of his/her agents as he/she may designate to perform said duty, as well as by any peace officer(s) having jurisdiction of any area in which a violation of any provision of this policy or other related policies may take place.

3751.1 Compliance: The privilege of any Person to use District parks and facilities is expressly conditioned upon compliance by that Person with the provisions of this policy as they apply to such use. Violation of any provision of this policy shall subject the Person violating to eviction from the park or facility in which the violation occurs and other parks or facilities, if deemed necessary.

3751.2 Hours of Operation: All parks shall be open to the public during the hours of 5:00 a.m. to 10:00 p.m. No Person shall enter or remain in any of the parks at any time other than during such hours as the park is open to the public except for emergency maintenance or by the District, its contractors, or for law enforcement officers.

3751.3 Vending and Commercial Solicitation; Authorization Required: No Person shall solicit primarily for commercial purposes in any manner, or sell or offer for sale any goods, wares, merchandise or food products, or offer services for compensation, or distribute or pass out any primarily commercial handbill or advertising material within any park without a written authorization from the General Manager. This section does not apply to any concession operated under authority granted by the Board.

3752 Eviction:

3752.1 Person Subject to Eviction: A Person is subject to eviction from a park when all of the following conditions occur:

- The Person is in violation of a park rule or regulation.
- The Person has been warned in a manner that is reasonably calculated to reach said Person that eviction may result from any further violation.
- After receiving such warning, a further violation occurs.
- Imposition of a lesser sanction will not reasonably suffice to cure the existing or ongoing violation of this policy.
- Where a violation of this policy is of such magnitude or seriousness as to pose an immediate threat of violence or other disruption of the public health, safety or welfare, no warning will be necessary prior to eviction.

3752.2 Person or Group Subject to Eviction: A Person or Group is subject to eviction from a park when any one of the following conditions occur and no lesser sanction reasonably appears to suffice:

- There is probable cause to believe that an unlawful assembly* exists pursuant to California Penal Code Section 407, as determined by an officer of the law.

* An unlawful assembly is defined as follows: Whenever two or more person assemble and acting together to do an unlawful act, or to do a lawful act in a violent, boisterous or tumultuous manner, such assembly is an unlawful assembly.

- There is a clear and present danger of imminent violence which cannot reasonably be forestalled without eviction.
- There exists a Group sponsored or organized activity which violates one or more park rules and regulations and such Group sponsored organized activity has not ceased as a result of one or more warnings given to the group as a whole.
- There are multiple individual violations of park rules and regulations which have not stopped following the eviction of one or more such individual violators and violations continue after the Group has had a reasonable opportunity to cure them.

3752.3 Group Picnics or Public Gatherings-User Permit Required: No Person shall cause any picnic or public gathering involving the attendance of more than fifty (50) individuals to be held in any park without first obtaining a User Permit and signing the District's Indemnification form. User Permits will be issued on a first come, first served basis. Permits will continue to be issued until previously issued permits have exhausted the capacity of the park sought to be used.

3752.4 Group Picnics or Public Gatherings-District Certificate of Insurance Required: Picnics or public gatherings numbering 150 attendees or more must also secure a User Permit from the District on a first come, first served basis. Such groups must also obtain a certificate of insurance policy of at least \$1,000,000 naming the District as an additional insured.

3752.5 Reserving Park Spaces: Any user groups desiring to reserve a designated space in a park for a picnic or public gathering may do so by obtaining a User Permit, paying the fees called out in the District's Fee Schedule and signing the District's indemnification form. Groups of 150 or more persons must also meet the insurance requirements indicated above. Reservations may be made no more than six (6) months in advance for residents and no more than (3) months in advance for non-residents.

3752.6 Reserving Athletic Fields: Any user groups desiring to reserve a designated athletic field including the baseball field and soccer fields at Tito Park, which have lights for night use, may do so by obtaining an Athletic Field Use Permit, paying the fees called out in the District's Fee Schedule and meeting the insurance requirements.

Required Procedures: All groups, including any HPUD sponsored leagues, must adhere to the following procedures before they will be assigned a field location(s) for their league, team or event. Groups with Permits have priority on field usage.

3752.6.1 Reservations for Athletic Fields Required Timeline: No later than two (2) weeks prior to the start of the season or scheduled event (i.e., weekend softball tournament), the sponsoring group must submit: (1) an Athletic Field Permit Request (attached); (2) proof of non-profit status (if applicable) and; (3) a copy of the group's Liability Insurance Certificate. (sample attached).

3752.6.2 Issuance of Athletic Field Use Permit: Upon receipt of the

Request, the HPUD will calculate the permit fees, if any, and determine the availability of the requested field location(s) based on the priority criteria defined in Section 3752.6.4 below. HPUD will then issue an Athletic Field Permit (attached). Permits will be issued for a maximum of four (4) consecutive months. If league play will extend beyond four (4) months, the league must apply for an extension. The extension must be received two (2) weeks prior to the end date of the original Permit.

3752.6.3 For all youth leagues, after the Athletic Field Permit is issued, and no later than 7 calendar days after the start of league play, copies of (1) practice schedules; and (3) player rosters (name, HPUD of residence, phone number) must be submitted or on file with HPUD.

3752.6.4 Prioritizing Use of Athletic Fields: HPUD issues Permits and makes field reservations in the following order of priority:

1. HPUD sponsored leagues and events.
2. Heber Elementary School District then other Districts working in cooperation with HPUD events.
3. Existing youth leagues based in Heber. Leagues must be in good standing with their organization and provide proof of insurance and compliance with their league rules and regulations to the HPUD. If more than one group requests use of the same field, priority will be given to the league with the greatest number of players who are residents of Heber. For example, if a baseball league requests use of Tito Huerta Field and has 28 players from Heber and a football league with 228 Heber players also requests Tito Huerta Field for the same time period, the Permit will be issued to the football league.
4. Travel youth teams (in good standing as stated above) based in Heber. A team will be considered based in Heber if one or more of the adult sponsors of the team and a minimum of 20% of the players are residents of Heber. In the event of a tie, and if the coaches of the youth teams are unable to agree to sharing the field times, the tie breaker will be determined by the number of years the youth teams have been in good standing with their organization and the HPUD.
5. Adult leagues, tournaments and private use field rentals. Tournaments must be approved by the HPUD and fees paid pursuant to criteria set forth in the Fee Policy at least (2) weeks prior to the scheduled event.

3753. Denial of a User Permit: The General Manager may decline to issue a permit when he/she determines that the Person or Group applying, has within the preceding twelve (12) months conducted previous similar events in parks operated by the District and such events have resulted in noise or other activities which disturbed other users of the parks or residents adjacent to the park, or where the applicant has, or members of his/her Group have, been evicted from a park, or where there was substantial damage to the park. If the General Manager declines to issue a permit he/she shall so notify the applicant in writing and set forth the reasons why a permit was not issued.

3753.1 Appeal to the Board: An applicant or other interested Person who disputes the decision of the General Manager regarding a User Permit Application

may appeal that decision to the Board by filing a written request to the General Manager for the matter to be placed on the agenda for the next scheduled Board meeting.

3754. GENERAL CONDITIONS FOR USER PERMITS: Following are general conditions pertaining to the use of District Buildings and Facilities. These conditions are not all inclusive and the General Manager may use his or her professional and reasonable discretion, within his/her authority, concerning the safe and proper utilization of such buildings and facilities. Special conditions imposed by the General Manager shall be noted on the User Permit and are binding.

3754.1 Minors: All individuals under eighteen (18) years of age shall be deemed to be minors. Events where the majority of attendees are minors must be chaperoned with a ratio of one adult for every ten minors.

3754.2 Designated Areas: Groups are confined to the area(s) designated in the permit such as ball diamonds, soccer fields and reserves park spaces, as determined by the General Manager. A map of the designated areas in each park that are subject to a User Permit is available at the HPUD office and attached to this Policy.

3754.3 Facility Use: No objects are to be attached to ceilings windows or walls nor are any type of nails, staples, tape, etc. permitted on ceilings, windows or walls of any District facility.

3754.4 Temporary Modification to a Park or Facility: Routine upkeep and maintenance of fields and facilities will be provided by the District. The General Manager, at his/her discretion, may authorize a user to perform specialized temporary treatment of a District park or facility with the user responsible for all costs associated with the specialized treatment. The user shall provide written information to the General Manager describing the desired temporary treatment, the reason for the treatment and the expected outcome from the treatment. Upon expiration of the authorized date of use, the General Manager may require the user to reimburse the District for the cost of restoring the District's park or facility to its original state or require the user to conduct such restoration. If a park or facility is allowed to be modified for any reason, the user and all contractors retained by the user for such modifications will be responsible to provide a Certificate of Insurance naming the District as additional insured for any and all additions, changes, and shall indemnify the District should any harm or suits be filed naming the District, the District's staff or Directors. If District parks or facilities are damaged beyond normal wear and tear, the user will be billed for the additional cost required to make repairs or replacement.

3754.5 Donations: Any donation and/or installation of a building, structure, equipment or other item shall require approval by the Board and upon approval shall become property of the District. The District is responsible for the maintenance and upkeep of such item following acceptance.

3754.6 Vehicles: No vehicles, motor-driven cycles, motorcycles, trucks or other vehicles are permitted within a park or on the sidewalk adjacent to any park without the prior authorization of the General Manager.

3754.7 Clean-up Following Use: Cleanup of indoor and outdoor park facilities and replacing tables and/or chairs is the responsibility of the user. Users are required to clean up park and facility used, wipe counters and equipment, clean up any spillage and remove all supplies not provided by the District. Users should report any malfunctioning equipment to the District Office for repair/replacement. If cleanup is not accomplished at an acceptable standard and the use of District employees is required to meet an acceptable standard, an appropriate amount will be withheld from the deposit at the discretion of the General Manager to cover the additional labor and material costs. See Policy No. 3756 Establishment of Fees and Charges for Use of District Buildings and Facilities.

3754.8 Skateboards, Roller Skates: No person shall ride a skateboard, roller skates or other conveyance whether propelled by motorized or human power or cause or permit same to roll or coast within any park area where the District has posted signs to prohibit such activity.

3754.9 Alcoholic Beverages: No Person shall consume any alcoholic beverage within the limits of any park, facility, or building according to HPUD Ordinance 220. In other circumstances, alcohol may be consumed pursuant to a special permit issued by the HPUD Board of Directors.

3754.9.1 Appealing to Board: Applicant must submit to the General Manager a request to waive Ordinance 220. The General Manager will schedule the request on the next Board meeting agenda for action.

3754.10 Firearms, Weapons, Fireworks: No person shall have any fireworks, rockets, explosives, firearms, air gun, BB gun, slingshot, bow, hunting arrow or any weapon in his/her possession while within any park, or in any vehicle other than in a closed trunk or storage compartment while such vehicle is within the jurisdiction of the District. Nor shall any person discharge any fireworks, rockets, explosives, or weapons in any park or building.

3754.11 Domestic Animals: No person having custody of a cat, dog, or other domestic animal shall allow such animal in any park area unless the animal is restrained by a substantial leash not to exceed six (6) feet in length and is in the charge of a person competent to restrain such animal. All persons having charge of such animals shall immediately remove and dispose of in a sanitary manner, by placing in a closed or sealed container and depositing in a trash receptacle, any feces deposited by such animal upon any park property. The provisions of the section shall not apply to unsighted persons being accompanied by a guide dog.

This section shall not prevent the District from holding supervised public events in its parks in which domestic animals participate, nor shall this section prohibit the General Manager from issuing User Permits for group activities wherein dogs or cats will be under the responsible care of a person while not restrained by a leash while participating in a permitted event. Approvals for events in which animals other than

dogs and cats participate are subject to specific approvals and conditions as determined by the General Manager.

3754.12 Golfing: No person shall use a golf club or similar device to strike, hit, or similarly propel a golf ball within the boundaries of any park.

3754.13 Unsafe Activity: No person shall engage in any activity in any park which may endanger the health, safety or welfare of any other person in a park.

3754.14 Rental Fees and Charges: See Policy No. 3756 Establishment of Fees and Charges for Use of District Parks, Buildings and Facilities. The Board of Directors shall establish, modify and amend fees and charges by resolution from time to time, according to the needs of the District.

3754.15 Amplified Sound: The use of amplification of sound is not permitted except as authorized by the General Manager.

3754.16 Smoking: Smoking of any substance by any means, including cigarettes, cigars, pipes or other devices is not permitted in any park, building or facility. Use of barbeques at all HPUD parks is permitted.

3754.17 Gambling: No gambling activity is permitted in any District facility or park. This includes any activity whether organized or not which is defined by the State of California as gambling.

3754.18 Inflatable Devices: Devices which require inflation by mechanical means or compressed gas containers, commonly called “bouncers” or “jumpers” are not permitted in any District park or facility unless the Group has provided to the District a certificate of insurance for at least \$1,000,000, naming the District as an additional insured.

3754.19 Overnight Camping: Overnight camping is not permitted in any HPUD parks.

3754.20 Off Season Storage: Off season storage of supplies, equipment, records, uniforms, etc. within any HPUD parks or concession area is prohibited without advance written approval from HPUD.

3754.21 Concession Sales: Concession sales are allowed once a Temporary Concession Authorization form has been issued by HPUD.

3754.21.1 Concession Areas: Concession Areas are shared public space and should not be considered the exclusive property of any league. If two leagues or groups are assigned the use of a field during the same time period, the leagues or groups are expected to accommodate the joint use of the concession area. For example, if a football league has a Permit for Tito Huerta Park and an adult softball group is issued a Permit for a weekend tournament, the football league and the softball group are expected to work together to accommodate use of the concession area. This may involve a

league or group renting a HPUD owned snack bar or installing locking cabinets to store their concession items or the temporary removal of all items from the concession area. HPUD has the discretion to require leagues empty out a concession area if a compromise cannot be reached. Installation of any cabinets must be preapproved by the Manager of HPUD.

3754.22 Inventory of Equipment: The HPUD will be conducting an inventory of equipment (i.e., coffee pots, microwave ovens, crock pots) in use at HPUD owned concession stands. Each league will be required to verify the list of equipment and to seek approval from HPUD before any additional equipment is added.

3754.23 No Sublet Fields: Fields may not be sublet to any outside leagues or users without the prior written approval of the HPUD Manager. Violation of this rule will result in cancellation of the league or group's Permit.

3754.24 Charge for Public Entry: Youth leagues may not charge the public or other leagues for admission into any park or recreational area (i.e. games, playoffs, etc.), unless they are holding a fundraising event which will require an Athletic Field Permit and a Snack Bar Permit to be on file as well as written approval from the HPUD Manager. Tournaments sponsored by any youth league require the advance written approval of the HPUD.

3755. INDEMNIFICATION AND INSURANCE REQUIREMENTS: Permittees shall indemnify, defend, and hold harmless the HPUD, its officers, employees, and agents from any and all losses, costs, expenses, claims, liabilities, actions, or damages, including liability for injuries to any person or persons or damage to property arising at any time during and/or arising out of or in any way connected with Permittees' use or occupancy of the HPUD parks, facilities, buildings, athletic fields, vehicle parking facilities, and adjoining property, unless solely caused by the gross negligence or willful misconduct of the HPUD, its officers, employees, or agents.

3755.1 Required Certificate of Insurance: The HPUD must be named on the Certificate of Insurance as an additional insured. All leagues not affiliated with the HPUD or a school district must provide to HPUD a Certificate of Insurance, in a form satisfactory to the HPUD, with the following limits:

General Liability	\$1,000,000
Bodily Injury	\$2,000,000 per occurrence
Property Damage	\$1,000,000 per occurrence

3755.2 Report Incidents: Permittees shall report any personal injuries or property damage arising at any time during and/or arising out of or in any way connected with Permittees' use or occupancy of the HPUD's park facilities and adjoining property to the HPUD Manager or his/her designee, in writing and as soon as practical.
