## REPORT TO BOARD OF DIRECTORS

**MEETING DATE:** February 20, 2014

**FROM:** Laura Fischer, General Manager

**SUBJECT:** Consider Authorizing the Use of Old HPUD Offices as Polling Place for Elections

**ISSUE:**

Shall the Board of Directors authorize the use of the old HPUD offices located at the Water Plant as polling place?

**GENERAL MANAGER'S RECOMMENDATION:**

It is recommended that the Board of Directors authorize the use of the old HPUD offices as polling place.

**FISCAL IMPACT:** None

**DISCUSSION:**

Staff was contacted by the County requesting consideration to use the old HPUD offices located at the Water Plant for use as polling place for elections. The County has a shortage of acceptable facilities where they can hold elections and wanted to look into the possibility of using the old HPUD offices. I mentioned to them that there is limited parking and ADA accessible sidewalks, but they want to take a look at the property. I wanted to make sure that the Board does not have any objections before moving forward.

If there are any repairs or changes needed, we would not move forward unless the County wanted to pay for the needed improvements.

**CONCLUSION:**

Staff recommends that the Board of Directors authorize the use of the old HPUD offices as polling place.

Respectfully Submitted,

Laura Fischer,  
General Manager
