Attention: Mrs. Fischer

Subject: February 2014 Monthly Report

On the billing cycle ending on the 25<sup>th</sup> of February 30,662,000 million gallons of water were used by our consumers, an average of 929,151 thousand gallons was used per day.

On February 20, 2014 after removing dried sludge from pond #1 (East Pond), it was placed back in service and is now operational.

On February 24, 2014 I reported to the Sheriff vandalism at the water plant. This vandalism consisted of some items thrown to pond #1 which included some barricades, a rack, and the tee shut off valve. Footprints led to the home adjacent HPUD shop (old fire station) the officer went and spoke to the family. We have had no other issues since then at the water plant.

On February 26, 2014 I reported to the Sheriff vandalism at the Correll Estates basin which consisted of the gate fence being cut off. A witness spoke to the officer letting them know who was responsible. The Sheriff spoke to the suspect and the suspect confessed. The ICSO will contact HPUD when the suspect is arraigned. The damaged fence has been replaced by HPUD staff.

If you have any questions, please contact Francisco Rodriguez at (760) 427-4685
