

HEBER PUBLIC UTILITY DISTRICT

REPORT TO BOARD OF DIRECTORS

MEETING DATE: March 19, 2025

FROM: Madeline Dessert, General Manager

SUBJECT: Approve Out of State Travel to Attend Tri-State Training in Las Vegas, Nevada

ISSUE:

Shall the Board of Directors approve the out of state travel to Las Vegas, Nevada by two of our HPUD Water/Wastewater Operators?

GENERAL MANAGER'S RECOMMENDATION:

It is recommended that the Board of Directors approve the out of state travel.

FISCAL IMPACT:

Not to exceed budgeted amount of \$3,575, which will be included in the FY 2026-27 budget.

DISCUSSION:

According to the adopted Policy Manual, all out of state travel must be approved by the Board of Directors. The FY 2026-27 budget include funds for staff to attend the Tri-State Training held each year in Las Vegas. This training is an inexpensive training for HPUD operators to earn the necessary continuing education credits required to maintain their Operator Water and Wastewater Certificates.

The Tri-State Seminar provides training and certification classes for safety, water, wastewater and stormwater industry professionals from California, Nevada, and Arizona. Technical sessions and workshops are tailored to help each attendee learn about new techniques, regulations, and advancements within each industry.

CONCLUSION:

As all out of state travel must be approved by the Board of Directors this item is before you. As the training will be included in the FY 2026-27 budget.

Respectfully Submitted,

Madeline Dessert,
General Manager

Need help convincing your employer to allow you to attend?

We realize that sometimes our attendees may have to justify attending our training seminar to their supervisors because of its location in Las Vegas. To assist with this, we have prepared a sample letter that can be easily revised by you to submit to your supervisor for consideration. To help you prepare discussion points prior to meeting with your supervisor, we have also prepared a list of reasons why it's a great idea to attend the training seminar.
