Heber Public Utility District REPORT TO THE BOARD OF DIRECTORS

MEETING DATE: April 10, 2025

FROM: Madeline Dessert, General Manager

SUBJECT: Discussion/Action to Accept the Proposed Rate Increase by the District's Solid

Waste Hauler, CR&R, Incorporated

ISSUE:

Shall the Heber Public Utility Board of Directors accept the Rate Increase proposed by contracted trash hauler, CR&R, Incorporated, as detailed in Franchise Agreement?

GENERAL MANAGER RECOMMENDATION:

It is recommended that the proposal be accepted as presented.

FISCAL IMPACT:

No fiscal impact to the District, residents will see a fee increase of approximately \$0.83/per month for standard service.

BACKGROUND

On December 15, 2024, the Heber Public Utility District Board of Directors adopted resolution 2022-19, approving an amended, restated agreement between HPUD and CR&R Incorporated for Integrated Solid Waste Management Services.

DISCUSSION:

Resolution 2022-19 approved the modified service agreement that included an annual adjustment to reflect the change in various cost categories of the Consumer Price Index (CPI) as detailed in Article 6, sections 6.3 and 6.4 of the Franchise Agreement. The contract caps the annual CPI increase at 4%.

CR&R is requesting a 3.3% increase across all service categories, resulting in an \$0.83 increase for standard residential trash service.

CONCLUSION:

It is recommended the proposal be accepted as presented to remain in compliance with franchise agreement.

Respectfully Submitted,

Madeline Dessert, General Manager

Re: Annual Rate adjustment for Solid Waste and Recycling Services for 2025-2026

Dear Mrs. Madeline Dessert Martinez:

We have prepared for your review the solid waste rate adjustments based upon the formulas within our Franchise Agreement.

As provided for in the 2022 restated and amended agreement in Article 6, Sections 6.3 through 6.4 of the Franchise Agreement between the Heber Public Utility District and CR&R Incorporated for Integrated Solid Waste Management, the rates illustrated in Exhibit "2" shall be adjusted annually to reflect the change in various cost categories of the Consumer Price Index (CPI), all urban consumers for Los Angeles-Long Beach. The index used is the annual 12-month average ending December 2024. The annual adjustment is limited to a maximum of 4% annually and is implemented July 1st of each year.

Rates for services not listed in the attached worksheets will be adjusted according to the percentage change within each service type category.

With your review and approval, the adjustments will be implemented with both the City and CR&R's July 1, 2025 billing.

As always, it is a pleasure being of service to the Heber Public Utility District.

Respectfully submitted,

Matthew Gray
